

# Diversey Care Educational Scholarships for assisting in attending the 2016 APIC Conference

Deadline to Apply:  
April 8, 2016

Winners Notified:  
April 22, 2016

Diversey Care is pleased to offer Educational Scholarships to attend the 2016 APIC conference in Charlotte, NC. We recognize the role of a knowledgeable Infection Preventionist in creating a safer patient environment.

## Turning Knowledge Into Improved Outcomes

*"Sharing knowledge is critical to identifying best practices and reducing risk."*

*"Collaboration with colleagues leads to improved ideas and results."*

*"The APIC conference offers Infection Preventionists a unique opportunity to build relationships, share experiences, and gain knowledge to advance patient safety initiatives."*
